### **US Army PM J-AIT Nominees Receive 2010 SOLE and DoD CIO Awards**

*Newington, VA, December 10, 2010* – The US Army Product Manager for Joint - Automatic Identification Technology (PM J-AIT), an office within the Program Executive Office, Enterprise Information Systems (PEO EIS) at Fort Belvoir, VA is pleased to announce that several PM J-AIT members were recognized by the Greater Washington Area Chapter (GWAC) Society of Logistics Engineers (SOLE) and the Department of Defense (DoD) Chief Information Officer (CIO) for their individual contributions to the program in 2010.

Mr. Mike Morrissey, Mr. Jerry Rodgers, Mr. Thomas Rigsbee, Mr. Sebastian Philip, and Mr. Steven Miller were honored on October 27, 2010 at the SOLE Awards luncheon. They were recognized for their accomplishments in the following respective logistics award categories-reliability, technical publications, supply chain logistics, lifecycle cost management, and information technology.

In addition, Mr. Lee James III, PM J-AIT's Radio Frequency In-Transit Visibility (RF-ITV) Team Chief was awarded for his oversight and direction to the operation, sustainment, and modernization of the RF-ITV System at the 2010 DoD CIO awards at a Pentagon ceremony on October 27, 2010. Mr. James was a second-place individual award recipient.

"We are proud to have so many members of the PM J-AIT team recognized for their efforts behind the scenes. Our SOLE Award winners are integral members of our team who seek out better ideas, processes, and solutions for our organization," Lt. Col. Cary Ferguson, Product Manager, J-AIT, stated. "Mr. James' recognition by the DoD CIO award program was well-deserved and highlighted his outstanding leadership abilities. PM J-AIT continues to promote a positive environment where our team members routinely excel."

PM J-AIT is the DoD AIT and Radio Frequency Identification (RFID) leader providing global asset tracking, web-based RF-ITV services, and complete program life cycle support. PM J-AIT products and services are customer driven, instantly accessible, and capable of being updated. PM J-AIT serves as the procurement agent for RF-ITV infrastructure to DoD and Coalition partners in support of expeditionary logistics and the joint warfighter.
